Scent Work Beginner Fee: \$60.00 (check with college) COM: \$10.00

This is a fun new activity/sport that your dog can enjoy and help build confidence. Your dog will be taught to find the odor of Birch and be rewarded for using their nose! How great is that! Every dog would love to have a game where they are rewarded for sniffing! This is not tracking or detection dog training. This is a new activity, that you can compete in, and your dog can earn titles and ribbons. No Obedience training required.

This course will help teach the skills towards the ORT (Odor Recognition Test and Certification NACSW) which is required (by National Association of Canine Scent Work) before you can test at a SW trial (Scent Work Trial). AKC (American Kennel club does not require a similar ORT for NW (Nose Work).

In the NW 100 course you will be introduced on how to train your dog to find and alert to the Birch odor. Any dog over 4 mo. old can participate. Age requirements are so vaccinations are done and current for class and exposure to other dogs. Continuously barking dogs will not be allowed to continue in class, as some lecture and demos are required each week. If the dog cannot attend for any reason, the handler can still learn and apply methods of training at home.

Vaccination or titer proof and COM fee required 1st class. In the first class you will receive a tin with Birch Flower Essence odor for training. **Dogs do come to the 1st class.** Lecture, demo, equipment use, Waiver and Registration will be done in first class.

Location: Illinois National Guard Armory just north of Carbondale- 3702 New Era Road, Murphysboro. For more details and to register call the CE Offices at 985-2828, ext. 5
